**Re: West Maui Hospital and Medical Center CON#08-07**

**Subject: In favor of Hospital and Medical Center**

**Attn: To whom it may concern**

**Date: February 15, 2009**

**Aloha and Christian Greetings,**

**My name is Laki Pomaikai Kaahumanu. I am the Senior Pastor of Church on the Go. This letter is being written in favor of finally having our own West Maui Hospital and Medical Center; being built to handle the enormous problems we've had to deal with for years without our own Medical Facility. This Hospital and Medical Center, will benefit so many of our people; as well as the countless number of visitors that come to our island.**

**I want to commend the effortless pursuit of one Joe Pluta, who against all odds; stood the test of time to have the lord his God, prove himself to still be faithful; knowing that his labor has not been in vain. I also want to acknowledge Brian Hoyle the Financier of this worthy cause, who obviously have witnessed the move of God upon this particular project, because of the unity of so many coming together to make the impossible, POSSIBLE.**

**Thank you very much for your consideration in this matter, to making this memorial into a memorable event, for generations to come and see the possibilities in God are endless.**

**Just a servant of Christ,**

  
**Laki Pomaikai Kaahumanu**
